

Palau / Tropic Dancer

Plunge into the warm tropical waters of Palau for memorable drift dives with gray reef and white tip sharks, Napoleon wrasse, spotted eagle rays, and schooling jacks and barracuda and then at German Channel, watch for manta rays, octopus, garden eels and sharks. Photograph the large pelagics attracted to Blue Corner where the ocean currents converge to carry you past stunning vertical walls exploding with fish.

From warm water lagoons to dramatic drop-offs, the picturesque island nation of Palau is considered a premiere dive destination. Located southeast of the Philippines, the 125-mile-long chain of islands is the perfect place to enjoy a “Dive Easy” vacation. Here divers will encounter pristine soft and hard corals and sunken WWII treasures while experiencing the tranquility of Jellyfish Lake teeming with millions of stingless golden jellyfish.

So why not escape to paradise? Explore the marine wonders of Palau aboard the spacious *Tropic Dancer*. The 105-foot blue and white catamaran easily accommodates 18 pampered guests. During your "Dive Easy" adventure, you'll enjoy all of the amenities you've come to expect from a Dancer Fleet® yacht, including first class service, delicious meals, and a diving tender to help you safely access Palau's best dive sites.
